REMARKS

Applicant expresses appreciation to the Examiner for determining that the claims would be allowed if the claims and specification were rewritten to overcome various objections and rejections under 35 U.S.C. § 112, second paragraphs. Applicant has amended the claims and provided a substitute specification and abstract wherein the corrections requested by the Examiner have been implemented.

If there is fee(s) due, the USPTO is hereby authorized to charge any fee(s) or fee(s) deficiency or credit any excess payment to Deposit Account No. 10-1250.

In light of the foregoing, the application is now believed to be in proper form for allowance of all claims and notice to that effect is earnestly solicited.
